

Pakita's embroidery charts

Serie V : Art Nouveau collection

From various sources, ranging from books to (online) magazines, this is a collection of patterns from the art nouveau era.

Sometimes when a publication is mainly in the art nouveau style, all the charts are published, even the odd ones that are not really art nouveau.

But usually the publication is a selection from a larger quantity of patterns, based on style characteristics and original publishing date.

Most patterns are multicoloured cross stitch charts, there are some filet (or monochrome cross stitch) patterns as well.

Enjoy!
